1 CRAIG: I got that.

2
3 CARNIVALE: Oh you do?

4
5 CRAIG: [REDACTED]

6
7 CARNIVALE: [REDACTED] and do you have the contact numbers already
8 also?

9
10 CRAIG: I do.

11
12 CARNIVALE: Alright. Um,

13
14 CRAIG: We just wanted to talk to you a little bit obviously about what happened over at
15 31 Larkin Street. I mean were you visiting? Is SONNY a friend of yours? I
16 mean start with that. That's the easiest and just walk us through it.

17
18 A. Well, we pulled up like he, when we pulled around the corner, it like, the guys
19 that robbed us, we, I saw them walking from up the street like they, the shirts and
20 stuff they had on, like seemed like they were like selling stuff or promoting or
21 whatever. So when we get to his house, he goes in the house just to pick up the
22 laundry and he comes back out and brings it to the car. They had walked by us
23 why SONNY was in the house getting the laundry and they went to the next
24 house at the corner. When they seen SONNY come to the car, they turned back
25 around, started walking towards us. They were asking us about a GMC like in
26 Burlington Township and me and the other girl TATTIANA we were like, um, we
27 don't think there's a GMC around here no more. We think they closed it. So
28 SONNY starts heading back into the house and was like, alright well I'll try to
29 call and look on my phone. So they, there's three of em, the two like walked in
30 the house right behind SONNY and the other one was outside with us talking to
31 us at the car. And we were all like, well we don't know but maybe there's one on
32 54L. She TATTIANA took her phone and googled it and then like five minutes
33 after that, he walks in the house and then comes back out while the other two
34 were still in there. So the one kept walking in and out of the house talking to us
35 and then he comes and was like, well that's your boyfriend? And she was like,
36 yeah. He said, come here. So she goes in the house and she doesn't come back
37 out and then the guy comes back out to me like probably like several minutes later
38 and was like, um, they said come in the house. SONNY said turn the car off and
39 to come in the house cause it's too hot. So, and he was like, she said bring her
40 phone. So I get her phone off the seat and turn the car off and walk in the house
41 and he snatched the phone from me and puts a gun in my face and throws me on
42 the floor and ties my hands up. And tells us to keep looking down and everything
43 will be Ok.

1 Q. Pretty amazing story. I mean I can't imagine the fear and the stress that you had
2 to go through.

3
4 A. Yeah and then he was like, they kept asking about the safe and the cameras and
5 stuff and I was quiet the whole time. Like I was just, like I can't believe it, I just
6 was quiet. And then like the guy that like assaulted me, he's like yeah I'm having
7 fun and the guy, the other one of the other two, was like come on so we can leave.
8 Like wipe your fingerprints and stuff like this so we can leave. He's like yeah
9 I'm having fun, but he had started while we were both on the floor like feeling on
10 both of us through our clothes. So then like he made me get up on my knees and
11 then that's when like he um, took my glasses off and he put something else over
12 my face like a piece of clothing that was on the floor, over my face and like he
13 made me give him head and then he stopped that for a second and then he like
14 tried to he made me turn around and tried like, that's when he put his um dick
15 inside me so I mean he like went in for like a minute and then stopped. Cause it
16 was hurting so I was like making noises, then he was like, shut up. So I, he
17 stopped that and then he goes back to oral and makes me give him head until he
18 comes in my mouth while he's fingering me all at the same time doing this so, so
19 then he comes in my mouth and he makes me like drink this bottle of water like
20 he's forcing it down my throat and like I spit it out like I started spitting it on my
21 shirt and he got mad cause I was doing that so he was like, swallow it and like,
22 he's like literally shoving the water down my mouth. That was it and he threw
23 me back on the floor and was like, don't move and like stay here. So then when
24 we heard them go out the door, he's like well, you all better not say nothing, call
25 the cops and this and that, we know where you all live and he got my purse out
26 the car. So when we heard em go to the car we waited a few minutes and that's
27 when we're, are they gone? Are they gone? And she untied herself and untied
28 me, then I ran outside and called, and then that's when she went downstairs to
29 check on SONNY and came back up screaming was like, oh my God, they beat
30 him up bad.

I ALCOHOL.

I ALCOHOL.

impossible?

31
32 Q. Did, is your purse missing?

33
34 A. Yeah.

35
36 Q. So you believe that they took your?

37
38 A. Yeah it was on the back seat of SONNY'S car. Cause when I got out, when he
39 told us to get out, like when he's like SONNY said come in the house just turn the
40 key off, the car off, I'm like Ok, figuring everything is fine like that. (inaudible)

How

41
42 Q. What's SONNY'S car? You talked about that.

43
44 A. The, the Lumina that was in front of the house.

45

Statement of Sheron Wilson (9-11-13)

Page 4 of 20

1 Q. The Lumina in front, is it white?

2
3 A. Yeah.

4
5 Q. Ok. So you didn't lock it when you came in or anything?

6
7 A. No, the windows was up though but like.

8
9 Q. So they must've opened it, went in and got the purse.

10
11 A. Yeah like I didn't lock the car.

12
13 Q. Where was your purse inside the car?

14
15 A. In the back seat. It was like a bag. Like a fushia metallic fushia type bag. It was
16 a bag.

17
18 Q. Um, passenger seat, driver's seat?

19
20 A. It was in the back seat. I was in the back seat. TATTIANA is his girlfriend was
21 up front.

22
23 Q. Well what part of the back? Front or back part of the car?

24
25 A. I was in the back seat.

26
27 Q. In the driver's side or the...

28
29 A. Oh the passenger side.

30
31 Q. Ok. The only reason I'm asking you is

32
33 A. Oh yeah the back.

34
35 Q. They're gonna try to look at the car and look for fingerprints and things of that
36 nature so I want to know where.

37
38 A. I was on the passenger side back.

39
40 Q. Passenger back? Ok. Ok. You had indicated that you had never seen these guys
41 before?

42
43 A. Not until we came around the corner and like I see them walked up the street like
44 I don't know if they caught that, but I caught it. I saw them walking.

45

1

2 A. Yeah. (inaudible)

3

4 Q. Like an election, like an election?

5

6 A. I guess it was, I don't know. And then it said it was like a quote on the front, I get
7 more mon, something with money in it. I don't remember. I don't know, but
8 that's the back of it. It was white letters and it was like a blue shirt.

9

10 CARNIVALE: Sorry may I, may I back up a second? You said you passed them on the
11 street?

12

13 A. Yeah.

14

15 Q. Ok. On Larkin? On Langdon?

16

17 A. Ok. I don't know, alright...

18

19 Q. How did you, where were you when you, what house did you come from to go to
20 SONNY'S?

21

22 A. We came from the left. So we would've make a right at that corner. The one
23 coming this way and then made a right in his house there.

24

25 Q. Alright, wait, wait, where were you when you? Before you, who's house were
26 you at when you left to go to SONNY'S?

27

28 A. No SONNY picked me up at my house. I was in Mount Holly.

29

30 Q. Ok.

31

32 A. He picked me up and we were coming to Burlington.

33

34 Q. Ok. So what, give me the route that you traveled?

35

36 A. We came off from the street right there by um, I guess that's Neck Road right
37 there.

38

39 Q. Ok.

40

41 A. We came off of Neck Road and come up like that way. So whatever that side
42 street is, that street right there.

43

44 Q. Did you pass the fire house?

6

7 Q. The CVS?

8

9 A. Yeah.

10

11 Q. Ok.

12

13 A. Passed all that.

14

15 Q. Right.

16

17 A. And we made a left onto that street. I don't know.

18

19 Q. One or? Ok. Just

20

21 A. I don't know how many up it was. I really don't.

22

23 Q. Ok.

24

25 A. I think it was the...

26

27 Q. It was either Langdon or Larchmont?

28

29 A. I think its Larchmont. They uh,

30

31 Q. Ok, so you turned...

32

33 A. they made that left on Larchmont and then that right right there on Larkin.

34

35 Q. Ok.

36

37 A. That's where we came and when we were making a right I seen them to the left
38 and that one house on the corner, there's like a fence right there. I seem them
39 walking from that direction.

40

41 Q. So they were walking?

42

43 A. They were walking up cause they walked by us.

44

45 Q. Ok so they, they were walking from Langdon?

X 23 ?

Statement of Sheron Wilson (9-11-13)

1

2 A. I guess so. Yeah. Like they were...

3

4 Q. Or Lang...

5

6 A. Yeah.

7

8 Q. Ok.

9

10 A. And then they walked up and they walked by.

11

12 Q. Ok.

13

14 A. Like I seem them. I don't if they saw em when we were turning, but I saw that.
15 And they walked up and then they walked by us and then when they passed our
16 house, SONNY'S house, that's when they backed up when they saw SONNY
17 come out of the house with the laundry and backed up.

18

19 Q. Ok, sorry, go ahead.

20

21 CRAIG: Ok, so that's fine. SONNY now, SONNY is coming out of the house with the
22 laundry and then that's when they walk up to him?

23

24 A. Yeah. Yeah like they, well when he's walking out, they were already starting up
25 towards like walking up towards the sidewalk and like they were basically in front
26 of his house on the sidewalk while we were in the car. So that's when he was
27 asking about the General Motors as SONNY was coming out. He's like, do you
28 all know where General Motors is, and they asked SONNY first because...

29

30 Q. Like the car dealership you think?

31

32 A. Yeah.

33

34 Q. Yeah.

35

36 A. Like we, we were in the car, they actually caught SONNY cause SONNY was
37 bringing laundry to the car, they asked SONNY was like a GMC and that's when
38 SONNY leaned in the car and was like, do you all know where GMC is and me
39 and TATT looked at each other like, that's kinda suspect. Like there's no GMC
40 around here no more. And, and that was all we kept saying so then SONNY put
41 the laundry in the car. He's like, hold on. So he gets back up, goes to the front of
42 the door and goes in the house and said like he was like gonna look it up for them
43 and then the other two like literally walked right in the house and me and TATT
44 were like laughing in the car. She was like, yeah they just like walked in the crib

1 like that. And the other guy was out there talking to us like the way they did it
2 was just like, it was weird.
3

4 Q. Now where is TATTIANA now?
5

6 A. She was at the house still. They were talking to her. But she didn't get hurt. Like
7 they just violated her by touching her on the outside of her clothes. They didn't
8 rape her or nothing.
9

10 Q. Ok. And she doesn't know who these guys are either you don't think?
11

12 A. No. None of us did.
13

14 Q. Now...
15

16 A. I just know they were big. They were like pretty big guys.
17

18 Q. I want to talk about that. There's three black males. Talk about the one that you,
19 that was with you first.
20

21 A. Like he I'm not sure cause he kept my eyes covered, like he took my glasses off
22 and made me, he kept telling me to close my eyes. At first he put like a piece of
23 clothing on my face and the clothing kept falling off, so he's like close your eyes,
24 like keep your eyes closed, like he just made me keep my eyes closed and I was
25 basically trying to do what he says so I don't want to get shot so.
26

27 Q. What did the gun look like?
28

29 A. I really didn't see that either like he went...
30

31 Q. Like a pistol or?
32

33 A. It was actually a gun. And when the only one I seen is when he put it in my face
34 when I walked in, like yeah it was a gun like that but it was silver.
35

36 Q. Ok. So like a silver pistol. Not a, not a shotgun?
37

38 A. Yeah it was like, yeah, a Glock I guess.
39

40 Q. And um, did you see any of the other guys have guns?
41

42 A. All I know is the one that when I walked in like...and that's the one that...
43

44 Q. And he, is that the one who told you to come inside?
45

Edcons.

Statement of Sheron Wilson (9-11-13)

1 A. Yeah. That's the one that was like, yeah, SONNY said come in cause it's hot
2 outside, turn the car off. Soon as I walk in the door, and like he's like, yeah she
3 said bring her phone, she's up the step. So I like walked like kinda walked the
4 one step and like he turns around and snatch the phones out my hand and then,
5 next thing you know I turn around there's a gun in my face.

6
7 Q. Ok. That injury you have over your eye,

8
9 A. Yeah.

10
11 Q. What happ, where'd that come from?

12
13 A. Like when he pushed me, I got a rug burn and then he hit me in the head when he
14 was like assaulting me with the gun but he on the side of the gun, the side of the
15 gun.

16
17 Q. So he hit you with the pistol?

18
19 A. Yeah. Like this came from when he threw me on the floor and I got a rug burn.

20
21 Q. Ok.

22
23 CARNIVALE:

24
25 A. He hit me with the side of it.

26
27 Q. Ok.

28
29 CRAIG: On the seat?

30
31 A. Yeah but this one, that came, it's like a rug burn. He threw me on the floor.

32
33 Q. Ok.

34
35 A. Like he hit me across my head though like up in here. Like he didn't, that cut is
36 not from that. It's from the rug burn when he threw me on the floor (inaudible)

37
38 Q. Ok.

39
40 A. That was it.

41
42 Q. And what kind of, so they're wearing these blue t-shirts, are they all in pants or
43 shorts?

44

Statement of Sheron Wilson (9-11-13)
Case No. SX-13-1608
Page 11 of 20

- 1 A. They had like black pants on like them, like the Adidas type jogging sweat suit
2 type pants. But they were black. They were just pure black. They wasn't that
3 good like the Adidas ones. And they all wear the same thing.
4
5 Q. They are all dressed the same?
6
7 A. Yeah. Except for the one guy had like, like you could tell he had dreads. He had
8 like one of them caps on like the dreads in, like one of those and it was like tan,
9 like brown tan.
10
11 Q. Did you see them anywhere near a car? Get into a car or drive a car away?
12
13 A. No. Like I seen the only time
14
15 Q. Cause you saw them walking.
16
17 A. I seen em is when I was walking. That was it.
18
19 Q. Now in terms of what SONNY'S into and what he's all about, we're not the drug
20 police. I'm not here for that obviously, but something like this happens to his
21 house and they start talking about things like the safe and things of that nature. I
22 mean that's not a normal conversation. They wouldn't be at your step father's
23 house and come in asking about a safe for example. What's that all about?
24
25 A. I don't know. Like they kept, no, what, it wasn't like the safe came up like that.
26 They kept asking where the money was. And SONNY was like, there is a safe.
27
28 Q. Or even, or even still. Ok. So SONNY said...
29
30 A. SONNY said he had a safe.
31
32 Q. Ok.
33
34 A. SONNY was like it's in the safe behind this, it's like that's what he said.
35
36 Q. Ok.
37
38 A. Cause like we were all try to cooperate so they wouldn't shoot us. That we were.
39
40 Q. Ok. So they didn't come in and just say, where's the safe?
41
42 A. Yeah. Not from what I know. Like it was like
43
44 Q. It was more like he was talking.

2 A. Yeah that's the one that assaulted me.

3
4 Q. Ok. My, I'm sorry.

5
6 A. And he's dark skinned. And he kinda had messed up teeth. I forgot about that.
7 Oh my God. Like he has messed up teeth.

8
9 Q. Did they have any type of accents of anything that you could pick up? *Incons.*

10
11 A. Nah. Unt, uh.

12
13 Q. They didn't say anything about where they were going or anything?

14 A. Unt, uh. They just kept saying we have your ID's and when we leave you all
15 better not say nothing. And then (inaudible) before he left, he kept telling us, like
16 it was towards the girls, he was like, you all need to talk to SONNY and tell him
17 not to say nothing and long as you don't say, we kept saying, alright we will, we
18 will. He's not gonna say nothing, we're not gonna say nothing. We kept saying
19 like so he could leave. We're like, no we're not gonna say nothing, we're gonna
20 talk to him, we're gonna talk to him, ain't nobody gonna say (inaudible) And
21 TATT was like, I'm his girl, I'll talk to him, I'll talk to him. I was like, I'm the
22 best friend, I'll talk to him. Like we're not gonna say nothing. So...and then
23 even when he assaulted me, he was telling me oh you better not say nothing. I
24 was like, no I'm not.

25
26 Q. And you hadn't had a chance to talk to SONNY?

27
28 A. No. Cause when we broke free she untied me, I ran outside. She's like, go stand
29 outside and wait if I see em come back, I could easily run to a neighbor's house or
30 something. So when I ran out the door, she ran downstairs to go help SONNY.
31 And then she come flying back up like panicking and crying, she's like they
32 fucked him up, they fucked him up. I'm like, what? And then that's when she
33 sent me to, like she ran to the neighbor's house before I did. She was pounding
34 on the door so when the neighbor answered the door, I'm the one went in and
35 called the cops and her boyfriend went over was like call the cops like, yo, (finger
36 snapped) it was like really. *Incons.*

37
38 Q. So you went into the neighbor's house and the neigh...

39
40 A. Yeah and called the cops.

41
42 Q. And the neighbor called?

43
44 A. Yeah called 911.

45

1 Q. Do you know who the neighbor is?

2
3 A. No.

4
5 Q. No?

6
7 A. Just knocking on doors.

8
9 Q. You're just knocking on doors.

10
11 A. Just knocking on doors. And that was the first house TATT went to and then as
12 when TATT, cause TATT had a knife, but TATT had the knife trying to cut the
13 cab, the wires from SONNY, the cords from SONNY. And then that's when the
14 neighbor said, well she got a knife and I was like no, it's not like that. Like we
15 were just attacked, there's a home invasion, and like, and they were like, what?
16 And then her boyfriend had went over and saw and then that's when I was on the
17 phone. She put me in the room, she's like, yeah call the cops, call the cops and
18 she was making sure I was Ok. And I just called from there and then I went back
19 outside. But when I came back out, one of the cops was there and I walked in the
20 house and went down to the basement where he were and I was yelling for
21 SONNY, I didn't see him, and they were walking up the street so somehow they
22 just walk up the street, they walked out of the house and walked up the street.

23
24 Q. Who had walked?

25
26 A. SONNY and TATT.

27
28 Q. SONNY?

29
30 A. Cause when I called and when I went back next door to like to go down cause
31 there was a cop already on the scene. So I had went downstairs to try to show
32 him where he was and I'm calling his name and he wasn't answer and then I see
33 TATT coming up the street. I'm like, where's SONNY like the cop was here.
34 And he was like, and I seen him walking up the street like all bloody and stuff,
35 that was the first time I saw SONNY.

36
37 Q. Ok. Do you have any quest, cause I think the nurse may be here now, so we'll
38 make this quick and we'll at a later time we'll probably come back and talk to you
39 again when we have some more information. Ok? But today we just want to get a
40 quick assessment.

41
42 CARNIVALE: Um, I, other than you said you're, you have pain, you were struck in the
43 head, you were pistol whipped for lack of better words.

1 A. I have sickle cell to top this off too.

2
3 Q. What's that?

4
5 A. I have sickle cell anemia

6
7 Q. Yes, you have sickle cell, yeah. So you, the injuries you received are, are you
8 have the rug burn on your forehead, you were

9
10 A. I was hit in the head.

11
12 Q. You were pistol whipped for lack of better words. She was, she was red around
13 the, the...

14
15 A. Wrist and the bruises. You can see the wrist

16
17 Q. Alright. And you have some vaginal soreness from...

18
19 A. I'm hurt between my legs, like I said, puts some, I mean it was forceful. It wasn't
20 like the guy was some little person either. I mean I give him credit for that but
21 God. It's just, I just want this to be over with. This, X

22
23 Q. We can respect it.

24
25 A. This is embarrassing.

26
27 Q. This is embarrassing. It's a delicate subject matter. And this is the first time
28 we've ever met you and here we are talking about this.

29
30 A. Like I don't, yeah. Like I don't think like there's vaginal, like I can tell you he
31 didn't stay in me long enough. Like I did say it hurted. Like that I did, so then he
32 did stop when I say that. X

33
34 Q. But he, but to reiterate, I know you've told me this already, he did ejaculate in
35 your mouth.

36
37 A. Yes and he made me rinse my mouth out and then once he made me

38
39 Q. But you spit some of this on your shirt.

40
41 A. Yeah I spit water and stuff out like wait, like I was just spitting it out like cause I
42 didn't know he was doing at first, like he just shoved water down my mouth and
43 then when he came in my mouth, he made me swallow it. He's like, yeah,
44 swallow it too, don't spit it out. So I kinda like, I acted like I swallowed it and
45 kept it in my mouth and then when he forced the water down my mouth like he

1 actually like overflowed my mouth cause he's pouring it so some of it got out
2 anyway. So I guess the come was like mixing with the water cause I kept it in my
3 mouth.
4

5 Q. Where, where make, Ok, make sure you point to your body.
6

7 A. It was on my shirt, like literally fell down
8

9 Q. Well it, it fell down your, your
10

11 A. It fell on the left though.
12

13 Q. your left breast?
14

15 A. Yeah. Fell on the left side of here.
16

17 Q. But make sure you tell the SANE nurse that because she'll swab your skin.
18

19 A. Alright.
20

21 Q. Alright? Maybe there's some DNA there that we can collect. Alright? We gotta
22 think, look we know it's painful and I've said this a hundred times probably
23 already to you. But we, we really need your cooperation. Alright? Alright, you,
24 you quite possibly are the key to all this. You probably hold some key evidence
25 on your person in regards to this. Um, so that being said, uh, maybe grandmom is
26 here by now and we'll get her in here so you can speak to her and have a moment
27 with her before the, the SANE nurse starts her exam.
28

29 CRAIG: Do you have any questions of us before?
30

31 A. No.
32

33 CRAIG: Probably what'll happen next is you'll get this thing done, you'll go home and
34 then give us a little bit of time and we'll likely reach out to you again. And you
35 gave me your information to get in touch with you and if we have other questions
36 which I'm sure we will, um, and maybe we'll have some information for you as
37 well by then. Ok?
38

39 A. Honestly I have zero percent chance that I'm going hear from you all, this is
40 going to be over so I doubt if they'll ever find these guys like (inaudible) X
41

42 CARNIVALE: You never know.

1 CRAIG: Well...
2
3 CARNIVALE: Come on give us some credit.
4
5 CRAIG: Yeah, let's just, let's just
6
7 A. No but I don't even believe anything like this would happen in township, let along
8 La Gorce. I was born and raised there. So I'm still a little wobbled about it, but
9 it's, I still
10
11 CARNIVALE: You heard no names?
12
13 A. like this is a chance are you're not going to get it.
14
15 Q. Did you hear the girl call any names on the phone?
16
17 A. Nah, she just kept saying like you're lying, it's a camera out front. I'm staring
18 right at the camera.
19
20 Q. Alright.
21
22 A. So when they was outside, outside...
23
24 Q. Did you see what she looked like that girl?
25
26 A. Who? No. We didn't see the girl.
27
28 Q. So you only ever saw three guys walking
29
30 A. We only saw three guys walking
31
32 Q. you never saw her?
33
34 A. I never saw the girl.
35
36 Q. So she must have came from somewhere.
37
38 A. But I guess they was outside, I'm telling you they must've been in the
39 neighborhood just casing the place. I'm telling you that's how it seemed like they
40 were doing.
41
42 Q. Did you tell them about the car? Somebody said something about a white
43 Hyundai Elantra?

5
6 A. I didn't mention about a Hyundai Elantra.

7
8 Q. Alright well let's go get grandmom. Alright, hopefully she's here. Thank you
